a. The Association shall manage and control of the Common Elements, and to keep the same in good, clean, and proper condition, order, and repair. The Association shall also pay all costs, charges, and expenses incurred in connection with the operation, administration, and management of the Common Elements, and performance of its other obligations hereunder.

- b. General liability insurance providing coverage for death, bodily injury, and damage to property within the Common Elements, if any.
- c. Director and officers liability insurance.
- d. Fidelity insurance and other such insurance as the Board deems necessary or appropriate.

5. Rules and Regulations. The Board may adopt such reasonable rules and regulations as it deems necessary or desirable in connection of the use of Common Elements.

ARTICLE V ASSESSMENTS

1. General Assessments. General assessments for Common Expenses made by the Association shall be a uniform amount against all Members and each Member agrees to pay the assessments levied in such manner and at such times as provided for in this Declaration and Code of Regulations. No Owner may exempt himself or herself from liability for contribution toward the Common Expenses of the Association by waiver of the use or enjoyment of the Property.

2. Special Assessments. The Association, by majority consent of the Board, shall have the right to levy a special assessment against all Owners equally for a special or extraordinary expense not budgeted to be paid by the general assessments. The amount of the special assessment charged to each Owner shall not exceed \$250.00. If a special assessment charged to each Owner should exceed \$250.00, majority consent of the Owners must be obtained. Any special assessment is due no sooner than thirty (30) days after written notice of such special assessment is provided to each Owner.

3. Creation of Lien and Personal Obligation. Each Owner hereby covenants and agrees, by acceptance of the deed to his or her Lot, whether or not it shall be so expressed in such deed, to pay the Association all assessments levied against such Owner or Lot in accordance with this Declaration and Code of Regulations on or before the due date. If an Owner fails to pay an assessment when due, the Association shall notify the Owner, in writing, of the failure to make such payment. In the event that the assessment is not paid within ten (10) days following the notification, then the Owner is considered delinquent and together with a late fee (as determined from time to time by the Board with notice to all Owners); possible interest at the statutory rate; and the costs of collection, including without limitation, costs and reasonable attorney fees, shall upon perfection as provided, become a continuing lien upon the ownership interest of the Lot, the Owner, his or her heirs, executors, administrators, devisees, personal representatives, successor, and assigns, subject to automatic and subsequent adjustments reflecting any additional unpaid interest, fees, assessments, enforcement costs, attorney fees, paralegal fees, and court costs. Each Owner of a Lot shall be personally liable, jointly and severally, with all other Owners for all delinquent assessments.

4. Non-Liability of Foreclosure Sale Purchaser for Delinquent Assessments. When an institutional first mortgagee or purchaser at a foreclosure sale of an institutional first mortgage acquires an ownership interest as a result of foreclosure or of the acceptance of a deed in lieu of foreclosure, such mortgagee or purchaser, their respective successors and assigns and all future grantees of said Lot, shall not be liable for the assessments levied against the Owner of such ownership interest prior to acquisition of title to the ownership interest whether or not a lien has been filed in accordance with this Section. Any funds received on the judicial sale of the ownership interest in excess of the mortgage lien, the court costs and the real estate taxes and assessments shall, however, to the extent otherwise permitted under the laws of the State of Ohio next be applied to satisfy the Association's lien for assessments. The Owner or Owners of an ownership interest shall be and remain personally and primarily liable, jointly and severally, for the assessments accruing against the ownership interest prior to the date of the judicial sale.

5. Liability for Assessments Upon Voluntary Conveyance. Except as set forth above, the grantee(e) of the ownership interest shall not be personally liable with the grantor for the amount of all unpaid assessments, whether or not a lien has been perfected, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor. Only the Owner at the time the delinquency occurred is personally liable for amounts owed; however, unpaid assessments are a lien on the property, and the obligation stays with the land upon transfer of ownership. A mortgagee other than a first institutional mortgagee, a purchaser at a foreclosure sale of a mortgage other than a first mortgage to an institutional mortgagee, their respective successors and assigns, a devisee of an ownership interest, or the transferee of an ownership interest pursuant to the statute of Descent and Distribution, shall be deemed to have obtained said Lot pursuant to a voluntary conveyance for purposes of this Section.

6. Liens.

a. Perfection of Lien. If any Owner shall fail to pay when due any assessment levied in accordance with this Declaration (such Owner hereinafter referred to as the "Delinquent Owner"), the Board may authorize the perfection of a lien on the ownership interest of the Delinquent Owner on the Lot for which assessments have not been paid by filing for record with the Recorder of Cuyahoga County, Ohio, a Certificate of Lien. The Certificate of Lien shall be in recordable form and shall include the following:

- i. The name of the Delinquent Owner.
- ii. A description of such Owner's Lot(s) for which assessments were not paid.
- iii. The entire amount claimed, including the amount of any delinquency, the rate of interest accruing thereon and estimated costs of collection.
- iv. A statement referring to the provisions of the Declaration and lien authorization.

b. Duration of Lien. Said Lien shall remain valid for a period of five (5) years from the time of filing of said Certificate of Lien, unless an action to enforce same has then been commenced or said lien is sooner released or satisfied, in the same manner provided by law for the release or satisfaction of mortgages on real property, or discharged by the final judgment or order of a Court in an action brought to discharge such Lien.

c. Priority. Except as may be provided under applicable law, a lien perfected pursuant to this Section shall take priority over any lien or encumbrance subsequently arising or created, except liens for real estate taxes and assessments and liens of a bona fide first mortgage to an institutional lender, and may be foreclosed in the same manner as a mortgage on real property in an action brought by the Association after authorization from the Board.

d. Dispute as to Assessment. Any Owner who believes that any assessment levied by the Association against his or her ownership interest for which a Certificate of Lien has been filed by the Association has been improperly determined, may bring an action in the Court of Common Pleas of Cuyahoga County, Ohio, for discharge of all or any portion of such lien; but the lien shall continue until the actual amount of the lien so determined is paid in full, and the Association may counterclaim in such action for foreclosure of the amount of lien found to be due.

e. No Waiver Implied. The creation of a lien upon any ownership interest owned by a Delinquent Owner shall not waive, preclude or prejudice the Association from pursuing any and all other remedies granted to it elsewhere in this Declaration, at law, or in equity.

f. Personal Obligations. The obligations created pursuant to this Declaration shall be and remain the personal obligations of the Delinquent Owner(s) until fully paid, discharged or abated.

7. Statement of Unpaid Assessments. Statements of unpaid liens and assessments shall be provided by the Association to any prospective purchaser or mortgage of the Lot upon request.

ARTICLE VI **BUILDING RESTRICTIONS; DESIGN STANDARDS**

1. Land Use and Building Type. No Lot shall be used except for residential purposes. No building shall be erected, altered, placed, or permitted to remain on any Lot other than one detached single-family dwelling not to exceed two stories in height except as hereinafter provided.
